STILL SEEING GREEN

You may notice the golf course is still green even with current water restrictions in place. That's because it is irrigated using non-potable (reclaimed) water.

This type of water is specifically intended for uses like landscaping and helps preserve our limited potable water for essential needs.

The golf course's irrigation system is part of a separate, conservation-focused approach to water use.

Thank you to everyone in the community for continuing to conserve water where it matters most.

Reminder!!

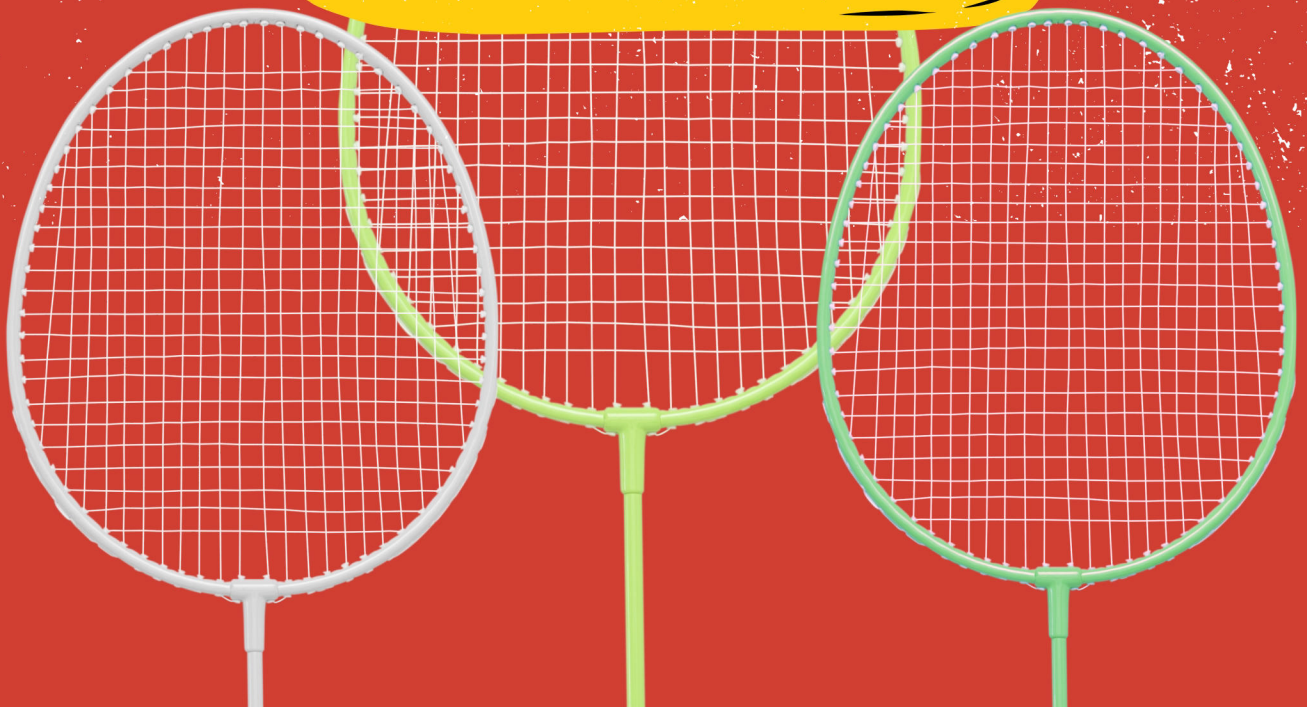

**For the safety of all residents,
children and pets - Leash your
pets!**

FLY SWATTER VOLLEYBALL

Played while sitting in a chair, hitting a balloon over a net with a fly-swatter!

FRIDAYS
10:00AM- 12PM

**ATTENTION
PLEASE!**

NO PUBLIC ACCESS ON THE GOLF COURSE!

Unless you are playing golf, please stay off the golf course. The golf course is **private property**, and entering active play areas is extremely dangerous and can cause damage to the grounds.

Remember that cart paths are designated for golf carts, not pedestrians.

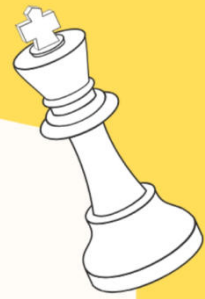

Meridian Ranch offers over 24 miles of trails, perfect for hiking, biking, and walking your dog.

**Thank you for respecting these rules and
keeping the community safe.**
