A Community Update

We're proposing to consolidate Meridian Ranch and Meridian Service into a single district with one elected board; providing simpler governance, increased efficiencies, and local oversight through a board elected by Meridian Ranch residents.

Eligible voters decide on this proposal in May 2027.

Why Consolidate

As our community has grown throughout the past 25 years, our needs and systems have grown too. Consolidating will allow for decision making to fall under one district and one elected governing board, overall simplifying the process.

MERIDIAN RANCH METROPOLITAN DISTRICT

Collects property taxes to repay the money borrowed to build community services like water, sewer, recreation facilities, parks, and trails.

MERIDIAN SERVICE METROPOLITAN DISTRICT

Operates and maintains essential community services, including water, sewer, parks, grounds maintenance, and recreation facilities.

The Benefits

- ✓ Simpler Governance
- ✓ One 5-Member Elected Board

- ✓ Less Duplication
- ✓ Increases Efficiencies
- ✓ Water & Sewer Continue

Follow Along - Meeting Minutes

We believe in transparency. Review the board meeting minutes where this proposal has been discussed.

Come Learn More In Person

Join us at an upcoming Town Hall or Board Meeting to ask questions and hear directly from your board members!

One community. One future. One Meridian.
